

Mobile Food Facility Business Signs

All mobile food facilities and mobile support units shall have an approved business sign posted on the customer side of the facility. Motorized mobile food facilities are required to have business signs on both sides of the vehicle.

Additional sign requirements:

- Signs shall be permanently affixed to vehicle.
- Lettering and numbering shall be of a contrasting color to the color of the vehicle exterior.
- Signs shall include the following:
 - The business name (lettering to be **at least 3 inches high**)
 - The city, state, and zip code (lettering to be **at least 1 inch high**)
 - The owner's name if it is different from the business name (lettering to be **at least 1 inch high**).
