PUBLIC NOTICE
Regarding Tax Assessments for Unpaid Trash Service

The Riverside County Department of Environmental Health places tax assessments on properties for delinquent trash collection charges. The assessment amount owed is identified on the property tax bill as “CHA Prop Owner Delinquencies SW”. Once these assessments are placed on the property tax bill, the assessment can only be cleared upon full payment of the total property tax liability.

For Inquiries Regarding the Tax Year 2008/2009:

For the tax year 08/09 liens were placed on property taxes via DOC# 2008-0488690. The Lien Release for those properties that have satisfied the total tax liability as of April 15th, 2009 is recorded via DOC# 2009-0315942. Payments made after April 15, 2009 may have the liens released upon verification of payment, on a case by case basis.

If you have any questions please contact Environmental Health at (951) 955-8982.

You may also access the Tax Collectors website to obtain tax liability information for the current tax year at:
